- How to better partner with agencies of UWCI to see what disproportionality demographics needs to be collected
- Gain understanding
- How do we know we are making a difference
- Community matrix – measures
- Desire to have county level data
- Madison Cty – would be receptive
- Intentionality of people higher up on the chain in attendance
- What can we do not that has long-term effects
- Legislative Disruption
- 15 conversations – concrete # to have education with people who need to know
- Sending team to Undoing Racism
- Influential members to be a part of team

Ideas for next session?

- Divide into groups
- Identify group gaps
- What collaborations and networking is being done
- Looking at the person as a whole vs individual issue
- Councilman invited
- List of events
- Too broad – look at own camp
