

Child Welfare/JJ

Intersecting

Cross-training with JJ and DCS

JDAI/Deep End (reduce the number of youth removed from home)

Being less punitive

Funder

Looking at gaps

Review data to ensure to identify areas of where to partner with grantees

Expansion of support (philanthropic)

JJ/Mental Health

Services suspended due to arrest

Not able to obtain prescriptions if needed – refer to rules of Medicaid

Education

Permanently expelled but when in system hard to obtain HSE but do not have to enroll post arrest (no other alternatives)

Motivating families and youth

Understanding that not all conversations may not be nice but they need to be respectful and focused on advocating for youth
